

Changing the Filter

You will require a large plastic trash bag, a pair of work gloves and a Phillips screwdriver.

1
Unplug your Austin Air cleaner from the power outlet.

2
Turn your Austin Air cleaner upside down on a soft surface.

3
Using a Phillips screwdriver, remove the four retaining screws from the bottom cover.

4
Wearing a protective pair of work gloves, lift the bottom cover off and set aside.

5
Carefully remove the filter and dispose in a plastic trash bag.

6
Remove the outer pre-filter and dispose in the same plastic trash bag.

7
Install the new outer pre-filter by aligning the pre-filter seam with the power cord.

8
Record serial number on the front of the warranty activation card. (Found on top of the filter)

9
Install the new filter top side down.

10
Replace the bottom cover and screw down tightly.

11
Turn your Austin Air cleaner right side up and operate on the High (III) setting for at least one hour.

Filter Replacement and Warranty

The Austin Air filter warranty is designed to provide the customer with years of worry free operation. Your Austin Air filter has been designed to last up to 5–years under normal residential use, and features a 5-year pro-rated warranty.

Some household environments are more polluted than others, therefore the useful life of the filter media in your Austin Air cleaner may be reduced. To address this issue, Austin Air’s pro-rated warranty allows you to receive a discount on your next filter replacement purchase, based on the length of time since your last filter was purchased.

If your Austin Air cleaner is used in rooms with unusually high concentrations of tobacco smoke, sawdust, soot, chemical vapors and/or odors, your Austin Air filter will need to be replaced more often. In these circumstances, you should replace your filter once your Austin Air cleaner ceases to emit clean, odorless air. If the odor of the highly concentrated contaminant is present exiting the Air Output Vent, then it is time to replace your filter.

Please Note: The Pro-rated Warranty is also included with every subsequent filter replacement purchase.

To receive a replacement filter at the pro-rated price, please call Austin Air Systems and ask to speak to a Customer Service Representative. If your filter is out of warranty, please contact the retail store or the dealer where you originally purchased your Austin Air cleaner.

Up to 2-years of use: 40% off the retail price, plus shipping*
2 to 3-years of use: 30% off the retail price, plus shipping*
3 to 4-years of use: 20% off the retail price, plus shipping
4 to 5-years of use: 10% off the retail price, plus shipping

CAUTION

Warning: Do not attempt to clean the filter. Washing or cleaning the filter will void the warranty and may cause injury.

*Austin Air Systems, Ltd reserves the right to refuse a filter replacement at the pro-rated price and/or request that your filter be returned for inspection.

PROTECT YOUR INVESTMENT
